

TRUSTS & BITCOINS

Date: *Wednesday April 11, 2018*

Time: *12 pm - 2 pm*

Venue: *Suntec Convention & Exhibition Centre Room 331*

Of late there has been much buzz about the Blockchain and cryptocurrency technology and increasing regulatory scrutiny and concerns amidst reported frauds and speculative losses. What is Bitcoin and why has it gathered so much interest? How is the Bitcoin purchased, stored and processed? What are the governance, regulatory and technological concerns and considerations to be kept in mind when holding such digital currencies? This event is a one-hour lunch talk by speakers from Moore Stephens LLP to explore the latest cryptocurrency developments, explain the technology, and highlight the regulatory and financial reporting concerns.

Choo Kwong Chee

Director, Head of IT Solutions & Services
Moore Stephens LLP

Kwong Chee is a Director and Head of IT Solutions at Moore Stephens LLP. He has over 17 years of consulting experience helping clients transform their business using technology. He has worked in a wide variety of industries and has served leading global corporations; managing large scale business transformation programs across all major economies in SEA and Asia Pacific.

His deep consulting experience includes technology advisory, systems implementation, corporate performance management solutions, change management, business transformation, and program management.

Kwong Chee graduated with a Bachelor of Science degree in Economics (Hons) from the London School of Economics and Political Science (LSE).

Wong Koon Min

Audit Partner & Head of Professional Standards
Moore Stephens LLP

Koon Min graduated with a Bachelor of Accountancy degree from the Nanyang Technological University in Singapore. He is a member of the Institute of Singapore Chartered Accountants and the Institute of Chartered Accountants in Australia. He has over 17 years of public accounting experience in Singapore.

Koon Min is Audit Partner and Head of Professional Standards within Moore Stephens LLP, overseeing financial reporting and audit advisory as well as internal quality reviews and technical compliance. He presents widely in public presentations and private client seminars. He is currently a member of the Financial Reporting Committee in the Institute of Singapore Chartered Accountants and has more than eight years of advisory experience in the interpretation and application of International and Singapore Financial Reporting Standards, including two years in the London office of a major international accounting firm where he advised on accounting issues from the global network. Koon Min is also responsible for the firm's financial services sector, which includes financial institutions regulated by the Monetary Authority of Singapore and the associated regulatory compliance requirements.
